

## Preparing for Questions

**Use this space to:**

Anticipate the types of questions the participants may ask.

What questions did you have when you were new to this subject area? Is this vital information you need to add into your presentations? Will you need to find additional examples to help clarify key points? Are there any resources (books, websites, tools) you can recommend to support further learning?

A large, empty grid area with a light blue border and a white background, intended for writing notes or answers to the questions above.
